**Meet Detroit Author John Cohassey
at the Rendezvous Jewel Box
Theater at a celebration for his new
book, American Cultural Rebels**

**Throughout its history America has made room
for experimental artists and their followers,
transformers of culture and society, whose legacies
as outsiders made them exemplary heroes
and social archetypes to entire generations.**

**America's Cultural Rebels reveals how the experimental
arts have impacted upon bohemian enclaves,
high modern salons, and broader countercultures.**
